**Campus Drive of Industrial Insurance Company Arunaya Insurance Brokers Pvt. Ltd on 02/04/2016**

All the students of B.Tech 2016 & Passouts are hereby informed that Industrial Insurance Brokerage Company Arunaya is conducting Campus placement drive in our college to hire the students of college for their company **on 02/04/2016 at 9:30 AM**. The company is promoted by engineers and professionals from the insurance industry. The company has sent the following details in this regard:

|                                    |  |
|------------------------------------|--|
| Job Title:                         | Techno Marketing Management Trainee  |
| Nature of Job                      | This is a highly challenging and technical position which requires quite a large amount of technical training in the subject and practical experience. They are in the field of <b>insurance of industries and factories</b> and therefore they deal with CFOs, CEOs, Finance Heads of the industries. For this the employees need to be ready with full technical understanding of the different types of industries, their machinery, their working, risks involved etc. this is a brief snapshot of some challenges involved. Engineers with their additional knowledge can better understand the industries and talk similar languages with the Industry Professionals. Employees are also made to visit industries and discuss technical aspects of breakdowns, damages to machinery, risks involved etc. This will all be touched upon in the trainings provided by them and later used in the challenging experience. |
| Job Profile                        | On selection, candidate will be on training cum probation period of 6 months (this will also depend on the performance of the candidate). During this period, the candidate will be imparted training in the office of the company and on the job. The trainee will be groomed on technical skills, soft skills, interpersonal skills, communication skills etc. After successful completion of the training, the candidate will be attached to a senior member and will start his journey within the organisation in techno marketing field. At the end of the probation period, based on their performance and interest in the field they will be absorbed as a permanent employee in the company and their services will be regularised.  |
| Salary:                            | The salary being offered by the company actually depends on the candidate at the time of interview but they have attractive packages for bright and dynamic candidates. Their increments and bonus methods is also attractive and better than the industry.  |
| Company Website                    | <a href="http://www.arunayainsurance.in">www.arunayainsurance.in</a>   |
| Bond:                              | Nil  |
| Registration Fees                  | Nil  |
| Security:                          | Nil  |
